WHAT IS DESIGN?

Reflection

- What do you remember from the last time we met?
- What have you discovered since the last time we met?

Activity #1

OR

1

Move quietly to a place along the spectrum towards your favorite image

2

Talk with classmates about why you chose to stand where you did

3

If your preference changes, move silently to a new position

I'd like to see nature integrated...

By using natural materials

O R

By prioritizing views to the outside

Describe in one word how your school should NOT feel.

Activity #2

1

Talk with your peers and describe in one word how your school should feel.

2

With your group, design your dream learning space using the materials in front of you.

Reflection: What is your favorite part of the learning space you've created? What are the key themes?
